OBJECTIVE

Passionate and self-driven Computer Science graduate with a strong foundation in **Java development**, **database management**. Seeking an entry-level Java Developer role to apply technical expertise, contribute to impactful software solutions, and grow within a forward-thinking development team.

SKILLS

Technical Skills

- **Programming Language:** Java (Core), Dart, JavaScript.
- **Frontend Technologies**: HTML, CSS, Bootstrap5, Flutter, React.js
- **Backend Technologies**: Java Spring Boot, Hibernate ORM, REST APIs.
- **Database:** Oracle SQL.
- **Version Control:** Git, GitHub.
- **Tools & IDEs:** VS Code, IntelliJ IDEA.

Non-Technical Skills

- Leadership, Team Work, Problem Solving, Communication Skills, Agile development, Team Collaboration.

EDUCATION

Prof. Ram Meghe Institute of Technology and Research, Badnera-Amravati **2021-2025**
B.E in Computer Science and Engineering | CGPA – 9.05/10

Brijlal Biyani Science College, Amravati **2019-2021**
Higher Secondary Certificate | Examination Score – 91.5%

Tarangan English School, Dhanaj BK **2018-2019**
Secondary School Certificate | Examination Score – 76.4%

PROJECTS

AdvoCad – Legal Advisor using Artificial Intelligence

- This project aims to provide a platform for Indian citizens to connect with verified advocates, making legal consultation and hiring easier. The application allows users to ask legal questions via an AI chatbot, upload case-related documents, track case status, and communicate with advocates in a secure and efficient way.
- **My Role:** I was responsible for developing the frontend using Flutter and Dart to ensure a smooth and responsive user experience across both Android and iOS platforms. I also integrated the AI-powered legal chatbot using Gemini 1.5 Pro, and implemented role-based access control for users and lawyers. Additionally, I handled the setup for document upload and case tracking functionalities.
- **Technologies Used:** Flutter, Dart, Supabase, Gemini 1.5 pro, Gemini 2.0 Flash.

Nyay Sahayak – Legal Rights Awareness Chatbot

- This self-developed project aims to raise awareness about fundamental rights and legal protections available to Indian citizens. It helps users understand legal topics like FIR registration, arrest rights, and domestic violence laws through an AI-powered chatbot with simplified explanations.
- **My Role:** I independently developed the entire system, building a **legal chatbot using Botpress** with intent-based dialogue flows for real-time conversations. I also created an **interactive frontend** using **HTML, CSS, and JavaScript**, focusing on user-friendly UI/UX design. The content was simplified for easy understanding, and a roadmap was planned for **multilingual support** to ensure wider accessibility.
- **Technologies Used:** Botpress, HTML, CSS, JavaScript.

Portfolio Website

- This project was created to professionally showcase my personal projects, technical skills, certifications, and achievements. The portfolio helps recruiters and collaborators explore my profile through a clean, responsive, and engaging interface.
- **My Role:** I independently designed and developed the entire website using **HTML5, CSS3, and JavaScript**, focusing on responsive design for both desktop and mobile users. I created key sections like **About Me, Projects, Skills, and Contact** to provide a complete overview of my background. The project was deployed using **Netlify** for reliable and fast web hosting.
- **Technologies Used:** HTML5, CSS3, JavaScript, Netlify.

ACHIEVEMENTS

- **NPTEL**: **Python for Data Science.**
- **Hackerrank**: Certificate of Excellence in **Java (Basic)**.
- Solved 400+ problems on **GFG**, **Leetcode**.
- Participated in **Smart India Hackathon 2024.**
- Published a research paper titled **"AI AND CHAT-BOT IN LEGAL HIRING"** in **IRJMETS,** March 2025.
- **Certificate**: Successfully registered the copyright for my final year project Advocad, a legal advisory application.

LEADERSHIP OR EXTRA-CURRICULAR ACTIVITIES

- Class Representative.
- Core Committee Member of College Annual Fest.
- Head Coordinator of YouthFest.
- Head Coordinator of Department Art.
- Captain of Department Tug of War Team.
